Victor E Garden Volunteer Work Evenings - Food & Garden Club

Update to the Data Retention Policy in FHSU PC Labs

The Department of Technology Services is updating its storage retention policy for student files stored on the computer lab network server.

On the previous network server, "scatcat", files were retained indefinitely. Scatcat has been decommissioned and beginning this year, files stored in the students' lab network storage (aka the U:\ drive or My Documents folder on lab computers) will be **erased** following the spring semester.

To avoid data loss, please copy all important documents and files to a flash drive or to your Google Drive prior to the end of the Spring 2018 semester.

If you have any questions or concerns, please contact [TigerTech](#).

Encore Show Survey

Did you attend the Encore Performance The Hot Club of San Francisco presents Cinema Vivant? The Special Events Committee requests your feedback on the performance. Each year, Encore brings eight shows to our campus community and is constantly looking to improve the series. Patron feedback is an important part of that process. Please take 2-3 minutes to share your thoughts about the evening.

The Encore Show Survey can be completed here: <http://baseline.campuslabs.com/fhsu/encore1718>.

Any questions? Please contact Jacob Ternes at jaternes@fhsu.edu.

VHS Players to be Removed from Classrooms this Summer

Over the last few years, Tech Services has been decreasing support for VHS players in the classrooms by not including them in new construction and renovations. Due to difficulty getting parts and/or replacement VHS players, we will be removing these VHS machines in all classrooms over the summer. However, this will include pulling all the DVD/VCR combo units as well which are currently in most classrooms. For those of you using these machines to play DVD's, you will need to start using the computer to play DVD's. The computers in the classrooms are set to "Autoplay" discs so simply inserting the disc and waiting a bit will launch VLC player.

Here is some important information to help you to migrate to a digital format and eliminate VHS tapes:

- If the content has absolutely no copyright concerns whatsoever, Kevin Staab (4452) can digitize VHS tapes.
 - Please remember that over-the-air recordings are not necessarily copyright free.
- For copyrighted materials, Jennifer Sauer (5262) in Forsyth Library can assist in finding alternative media formats. Please try to let Jennifer know by June 1 if you need assistance finding alternative media formats.
- For material without reasonable alternatives, Jennifer will assist with seeking out permission to convert to a digital format.

Again, this will be happening over the summer so please do not wait until the last minute in handling your must have VHS content.

-Mark Griffin, Assistant VP of Technology Services and CIO

New General Education Option-- Literature Matters: The Literature of Protest!

Fall 2018: ENG 327--Literature Matters: The Literature of Protest

This course will examine representations of protests in fiction especially during the latter-half of the twentieth century and the twenty-first century, from Civil Rights marches and anti-Vietnam demonstrations in the 1960s to the 1999 WTO protests in Seattle. Throughout the course, we will explore the statement made by Richard Wright that “all literature is protest” by discussing the relationship of literature and protest. Readings include Sunil Yapa’s *Your Heart is a Muscle the Size of a Fist*, Dana Spiotta’s *Eat the Document*, Hari Kunzru’s *My Revolution*, and John Lewis’s *March*. MWF 9:30-10:20.

ENG 327: Literature Matters is a redesign of a General Education course based on how literary works engage overriding themes and confront social, political, or psychological issues that are not easily comprehended and require a broad understanding of the world and the ability to make connections among different disciplines. The course fulfills 3 hours of the Humanities distribution of the Gen Ed program, and each semester will offer new themes. **No prerequisites and all majors welcome!**

Contact Eric Leuschner at edleuschner@fhsu.edu for more information!
